

Aim to achieve at least 20 points during the term. This should take approximately 10 hours excluding reading, spelling and Maths work. You must complete the 3 star tasks. 1 task should be completed each week in your learning log. **Your learning log must be returned to school every Monday.** Colour in or cross off each task as you finish it. Remember to apply our learning powers and edit your work to make sure it is the best you can do. Check your spelling, punctuation, grammar and presentation. **Don't forget to read daily and sign your reading record. PRACTISE ON NUMBOTS, PHONICS PLAY AND PURPLEMASH**

Year 1	Points	A	B	C	D	E
	5	Research and write facts about a plant of your choosing. Can you use headings to help organise your information? Draw a picture of the plant and add labels and a caption.	Practise telling the time - o'clock and half past times. Challenge - quarter past/to times. Adults: If you chose to use the internet, please supervise and help search for suitable games eg www.topmarks.co.uk - measures / telling the time (analogue)	Research a country that you have never been to but would like to visit. Write all about the sites, landscape and animals you might see - draw the thing you would most like to see. 	Chose story from a religion of your choice. Retell it, review it or represent a key part of it in art. Don't forget to tell us what the story is and which religion it is from.	Be an author and write a story/ make a book about anything at all!
	4	Weigh five items you have at home, e.g. book, spoon, saucepan etc. Record the items and their weight in order from lightest to heaviest. Challenge: Find the difference in weight between the heaviest/lightest item.	 Learn the 5x table - up to 12 times Challenge: be ready to give the answer to any 5 x table question as fast as you can! Super Challenge - learn the 10 x tables too!	Stick a photo of you as a baby and a photo of you now into your book. Write down 5 differences between you then and you now.	Research a famous painter eg Monet using information books/ Internet with an adult and create a fact file.	Plant some seeds with an adult and record progress with photos or drawings.
	3	What are your 3 favourite facts about The Great Fire of London?	Find 5 items that are shorter than 30cm in length. Measure them (to the nearest cm) and order them. Challenge: Find the difference in length between some of the items.	Talk to the adults in your family about e safety. Create an e-safety poster for me to share with next year's Year 1.	Practise making different amounts with coins. E.g. how can you make 26p using the least / most number of coins? Challenge: Now try finding change eg from 30p.	What would you like to do when you are a grown up and why? 
	2	Set yourself a personal challenge and practise it this week until you achieve your goal- it might be tying your shoe laces or riding your bike. Tell me what you did.	Word wizard: Describe something using as many WOW adjectives as you can! Challenge - use some positional language as well. He has a strange, hairy spot on the end of his long nose.	Do some baking - with an adult! Practise following a recipe and weighing out the ingredients you need carefully in grams. Enjoy it!	Practise filling measuring jugs with water (maybe in the bath!) Can you fill the jug to 100 ml? 600 ml? Etc.	Design a new outdoor area for Year 1. What would you have and how would it help Year 1 children to learn and develop skills?
	1	Curiosity Questions: Write 3 for me to <u>try</u> and answer!	Listen and learn the Fire of London song we did in class. 'September 1666' https://www.youtube.com/watch?v=J5eVIKWSHAA	Make a nature picture. Make a photo collage or collect objects from your garden/the park and stick them down to create a seasonal picture.	Create a collage of The Great Fire of London or a 3D model of the 17 th century streets.	Ooooooh! Free choice! Whatever you choose to do let me know what you did and why you chose to do it for homework?
