

Aim to achieve at least 20 points during the term. This should take approximately 10 hours excluding reading, spelling and times tables. You must complete the 3 star tasks. 1 task should be completed each week in your learning log. Your learning log must be returned to school every Monday. Colour in each task as you finish it. Remember to apply our learning powers and edit your work to make sure it is the best you can do. Check your spelling, punctuation, grammar and presentation. Don't forget to read daily and sign your reading record. Spellings and time tables practice will be completed weekly.

Year 2	Points	Monitor and create a weather record for a week.	Create your own investigation choosing a property to base it on, for materials – the strongest material, the softest, the material that stretches the most etc.	 Practise writing and counting to and back from 100.	Research African art and complete your own piece.	Find three different objects in your house draw and label them with the materials they are made from.
	5					
	4	Go on a bike ride or a walk with your family.	Choose and read a chapter book with a parent.	 Design and create your own E-Safety poster.	Write a book review about one of your favourite books you have read recently.	Play a board game with your family.
	3	 Do some baking at home with an adult's help. Measure and weigh out all the ingredients carefully.	Find out about compass directions and a way of remembering them and create a picture of them.	Research Antarctica and create your own power point or fact sheet.	Now that you have learnt about Picasso, research another artist and create a picture in their style.	Find out about either Christianity or Islam and create a poster.
	2	Write a shopping for a weekly shop.	Do something kind and helpful for someone in your family, without being asked.	Learn your 2 times table and write them out.	Complete a comprehension sheet. (Please ask at school if you would like one sent home).	Learn to read and write at least 10 of the Year 2 Common Exception words.
	1	To learn your number bonds to 10 and write them out.	Write your own short story.	Write a diary entry about a day in your week or weekend.	 Design at front cover for your home learning book.	Practise your cursive handwriting.
