

Computing – Making music

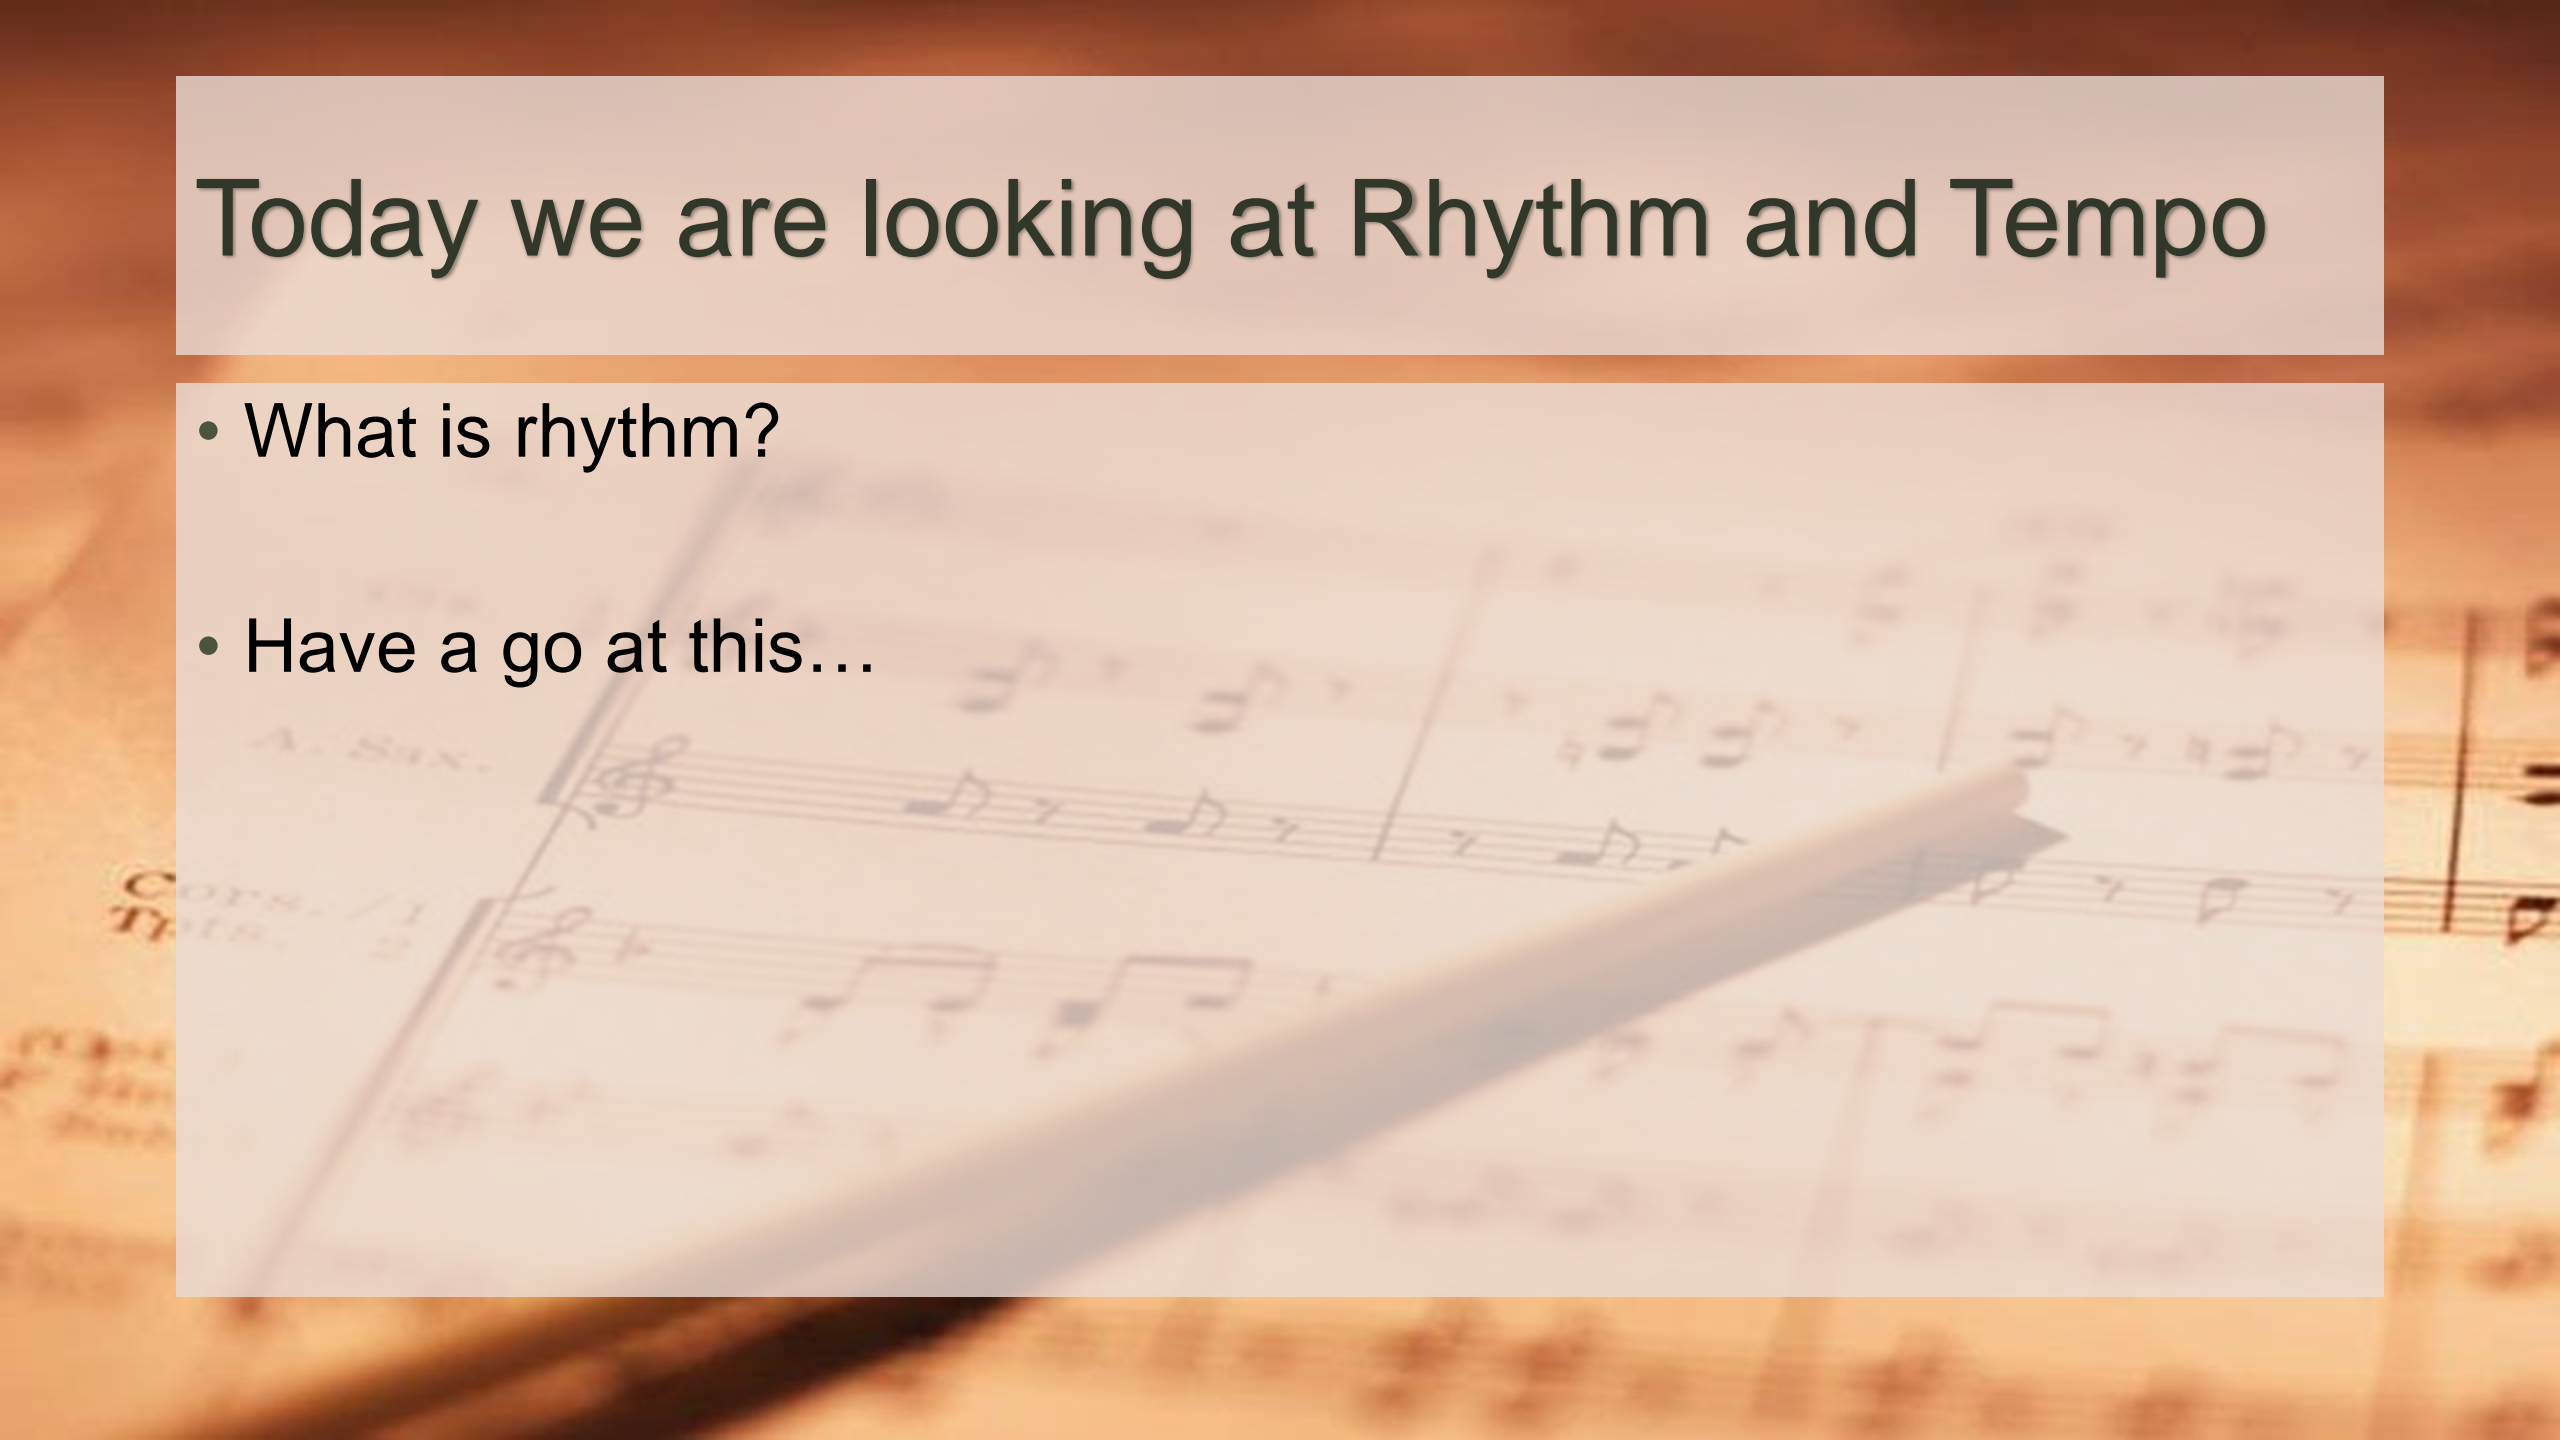

1st March 2021

Key vocabulary recap

Rhythm	A pattern of long and short sounds and silences.
Melody	A sequence of notes which make up a tune.
Pulse	The steady beat of a piece of music.
Tempo	How slow or fast a piece of music is Pitch – How high or low a sound is.
Texture	The different sounds you can hear in the music.
Dynamics	How loud or quiet a sound is.

Today we are looking at Rhythm and Tempo

- What is rhythm?
- Have a go at this...

Busy beats

- [Purple Mash by 2Simple](#)
- I have set busy beats as a 2Do for you so you can find it and listen to the pieces of music.

Activity

- Your activity for today is to go on Busy Beats which has been set as a 2Do and use the 'samples' not the 'synths' to experiment with different rhythms.
- Start by adding one sample and experiment by moving the ripplers and changing the beats per minute (bpm) before adding more samples.
- If you are happy with your rhythm you can add a new page by clicking the + at the bottom of the screen.
- Please remember to save and submit your work.
