

Aim to achieve at least 20 points during the term. This should take approximately 10 hours excluding reading, spelling and times tables. You must complete the 3 star tasks. 1 task should be completed each week in your learning log. Your learning log must be returned to school every Monday. Colour in each task as you finish it. Remember to apply our learning powers and edit your work to make sure it is the best you can do. Check your spelling, punctuation, grammar and presentation. Don't forget to read daily and sign your reading record. Spellings and time tables practice will be completed weekly.

Year 3	Points	Find out about some food from Ancient Rome and use these to design a menu for a Roman banquet.	Research rainforests around the world using information books or the Internet.  Present your findings in a way of your choosing.	Pneumatics is how air pressure powers and is able to move something. Can you find out about any tools or machinery that uses pneumatics to make them work?	Write all about it! Keep a diary for a week and write about the things you have done and how you are feeling. You might want to add illustrations.	Research how Earthworms are good for the soil and write an explanation of your findings.
	5					
	4	Design a classroom for good learning. Think about: Chairs and tables Storage Display Draw a careful plan, thinking about the size of the furniture.	Visit the local library and borrow some books- write a book review of your favourite.	Design a poster that will help other children to learn their 3- and 4-times tables.	<a href="http://www.bbc.co.uk/schools/scienceclips/ages/7_8/rocks_soils.shtml">http://www.bbc.co.uk/schools/scienceclips/ages/7_8/rocks_soils.shtml</a>  Try out this virtual experiment linked to our rocks and soil learning in Science.	Research using information books or the Internet (with an adult's permission) to find out how fossils are formed.
	3	Draw and name 3D shapes in the environment E.g., can of beans – cylinder.	Find out five facts about the artist <b>Sonia Delaunay</b> .	Draw items from a pencil case and label them in French.	Design a poster to inform others about why hygiene is important.	 Design and plan a healthy 3 course meal for a family. You could research food and nutrient groups, find, and review recipes with your own family.
	2	Write some maths questions using Roman Numerals.	Create a poster to promote e-safety.	Design an Islamic prayer mat.	Copy out a poem that you love in your neatest handwriting and illustrate it.	 Write a 'recipe' for friendship. E.g. a sprinkle of trust.
	1	Find a rock and paint it to turn it into a piece of art.	List 10 alternative words that you could use in your writing instead of 'sad'.	Make a poster to encourage the children at Sauncey Wood to demonstrate one of our learning powers.	Write out the months of the year in your best cursive handwriting. Make sure that the ascenders and descenders are clear.	How long does it take you to do different things? Brush your teeth/eat breakfast/get to school/have a shower/clean your room/do 10 star jumps/ hop around the garden etc. What can you do in two minutes? Draw a table and record the information.
