## Singing lessons are coming to Sauncey Wood!

Dear Parents and Carers

We are delighted to be able to offer singing lessons at Sauncey Wood Primary School for the 2<sup>nd</sup> Half of Spring and Summer Term.

Teaching singing at a young age will instil better vocal health habits. Implementing good vocal health is paramount and you worry less about your child injuring their voice or ruining the way they sing at an early age. Helping to grow a child's voice takes a gentle approach. Lessons help children understand the importance of warm ups, understanding their voices and the changes it may take as they grow, voice exercises, notation, technique and most importantly, enjoying and growing their love for music. It can also help them efficiently develop how to project their voice, breathing exercises and improve their posture; all of which add up to higher levels of confidence that can spill over into other aspects of life.

The cost will be £15 for a 30 minute lesson and the lesson will take place once a week in the school's music room during school hours with **singing teacher, Helen Harris**.

We are initially trying to gauge what interest there would be in uptake. Please can you reply using the slip below if you would be happy to sign up and commit to an initial half term of singing lessons. If your child is in receipt of Free School Meals or Pupil Premium and you would be interested in your child taking part in the lessons, please speak to Mrs Jackelman in the school office.

We will the liaise with Helen to see what can be accommodated in terms of pupil numbers and inform you if your child has been allocated a place. We anticipate that we will start the lesson after February half term. Further details will follow in the next couple of weeks.
